

SSC-0205-71

22 June 1971

MEMORANDUM FOR: Chief, Executive & Planning Division

THROUGH : Chief, Executive Staff

SUBJECT : Report to the President's Foreign
Intelligence Advisory Board for 1971

Listed below is SSC's contribution towards Subject matter.

(a) [redacted] was revised. The revision was necessary to make the Directive current with improvements in the system which have evolved since it was originally published in November 1962. Greater clarity of security policy was achieved and certain security responsibilities were further defined.

(b) Security assistance was continued to the Agency contingent supporting the Strategic Arms Limitation Talks (SALT). As each session for the report period, SALT III, IV and V, began and/or ended secure couriered transfer was made of codeword files between Washington and [redacted]

[redacted], with return of the documents to Washington between sessions for evaluation and culling. As each session either opened or closed, security assistance was given to [redacted] in establishing its operations, affording briefings where necessary, and in securing the area upon termination of the operation.
